Would you like your children to know the real meaning behind Christmas and why it's celebrated?

So while you're shopping or just relaxing, your children will have the time of their lives learning about Christmas through interactive stories, songs, crafts, games, and a lot of fun. At noon, join us for lunch and see and hear everything they learn about the CHRIST in CHRISTmas.

We do have limited capacity. To ensure space for your children, contact us at (248) 585-5551 or online.
